BADU[®]

21/80 & 80/50 Series

The Speck 21/80 and 80/50 series are the largest plastic swimming pool and industrial pumps in the Speck range. The 80/50 comes with a giant 6 litre strainer and both pumps have 80mm suction and discharge ports.

These pumps are ideal for high volume vigorous swim systems and commercial applications where large volumes of water need to be moved quickly. Moves significantly more water than other pumps of similar size.

Speck 80/50 with Giant Strainer

WIDTH
